Crystal Kupperiz

Crystal,

Hey you! Never forget the Big Bird! & Pig Man. They
were real Crazy Dudes! Have a Terrific life &
a mawny summer. Remember when we were
starving & pigged out on food. But, of course
those terrible diets! Gag! I hope you make it
big, but if you want to you better drop
Wendy, (HA HA). You deserve the best! You are a
really unique & crazy sometimes). Just keep
away from the Pig Heads. of the world. Co's
miss you, so write me. Take Care. "87"
Love ya,
Amm

Crystal,

Deez, can you believe were graduating already?
Doesn't seem possible. Well, we've had alot
of good times these past 6 years. The times
we got yelled at by Montore in the library come
to mind. There so much I'd like to say, but
I'll make it short. I'll miss ya and I wish
you the best of luck at J.H. Thompson next year.
Please don't ever forget me or our class, and
esp. Mrs. Morris Eng. Lit Class! I hope
we can keep in touch and will see each other
at reunions.

Love ya
Mary

P.S. Don't forget Drivers Ed &
Mr. Cashaw!

Crystal,
 To a really
 sweet, kind
 person
 it's been great, though
 a little rocky at times.
 I hope you were that
 at J. H. Thompson. You'll
 have an excellent
 time after graduation. We'll
 see each other well worth
 knowing you. (What, am I crazy?)
 Love,
 Valerie

Crystal,
 You are a real sweet & nice girl. I'm going to miss you.
 You better take care of the year to come &
 what ever you do. Have fun at college & with
 the guys. I'll never forget you or the
 great time we had. I hope you have fun at
 being a friend. I'll always be there for you.
 Love ya,
 Cindy

Crystal,
 I miss you so much.
 I hope you are having
 a good time.
 I'll be there for you
 when you need me.
 Love ya,
 Crystal

Crystal,
 I hope you are
 having a great time.
 I'll be there for you
 when you need me.
 Love ya,
 Crystal

Crystal,
 I hope you are
 having a great time.
 I'll be there for you
 when you need me.
 Love ya,
 Crystal

Crystal,
I hope you have
A great summer And
A fun time A JH.. well we had
A fun year didn't we, It was really
fast too, I just can't believe we were out of
here, I don't know what to do. Its so weird.
We'll have to stay in touch OK. Your only
in weld bank so we'll have to get together At times.
I think you A neat little kid. Not kid just little. I'll
miss you & every one in AMR on our side. Crystal Are you
working? Just kidding. Love ya
Kevin

I hope we see each
other after Graduation
I hope that you succeed in
everything that you do
"85" JEFF

Crystal,
good luck over the summer
and in your future. The last
six years went fast and I'm
glad we're finally out of here!

Love,
Mike

Crystal,
 So my favorite
 fellow lunch muncher.
 Soake like me made it. I'm
 glad I made it with you. HA-HA-HA.
 I'm sure you'll succeed with
 every try. I hope to see you
 often after our part. Remember
 me always and the great cheer
 of 85.

Sheffield Area High School
 Sheffield, PA. 16347

The Senior countdown with only twenty-five days left:

Well! School started just as usual. Everyone thought it would be the same, but it turned out to be different. We received a new administration member, Mr. Miller, and three new faculty members. Mr. Miller, Miss Brush, and Mr. Swanson.

The volleyball and football teams started their seasons successfully. The enthusiasm from both teams traveled through the entire student body. The Band traveled from competition to competition winning first place awards for their outstanding performances. They kept the enthusiasm growing stronger and stronger.

As far as the student body was concerned, this year started out and was going to be Far From Ordinary!

In the library, Scott Littlefield does his homework.

STUDENT LIFE

Well, the student life at Sheffield was not as boring as it was in recent years.

The Homecoming dance was one of the best ever. There was an excellent turnout. All the clubs and organizations are very active. They are working hard to raise money for their treasury. The number of clubs, groups, and organizations is large for the size of school.

Some of the feature events were assemblies sponsored by the Student Council, clubs and organizations sponsored dances. Several students have received awards.

As a whole, the student life at S.A.H.S. is **Far From Ordinary.**

While performing at halftime, Shelly Anderson plays her French horn.

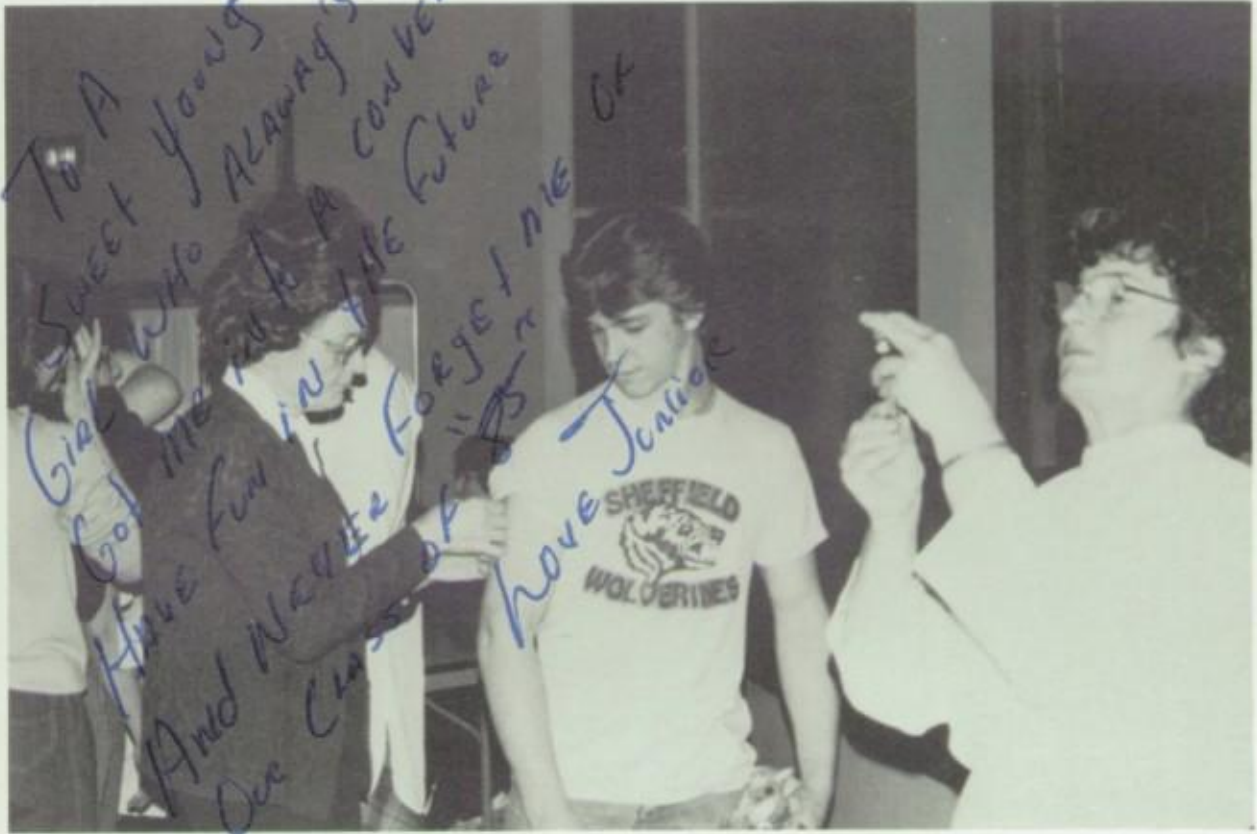

Mr. Carnovale gives new inductee, Sheri Smaroff her National Honor Society pin.

Co-captian, Dave Morley dances with the Homecoming queen, Marlene Steffan.

MARLENE CROWNED QUEEN '84

The Homecoming festivities started on a busy Friday with the Student Council decorating the lobby and cafeteria for Saturday's dance. The senior football players spent all day building a coffin for the bonfire on Friday night.

The weather cooperated and made the Homecoming activities enjoyable for everyone. Marlene Steffan was crowned 1984's Homecoming Queen by Kristi Kulka, the first att. of 1983. Marlene's escort was Tim Lubold. Her court consisted of 1st att., Michele Haser, escorted by Gregg Espin; 2nd att., Jennifer Shaffer, escorted by Tracy Pollock; Jr. att., Kathy Wholeben, escorted by Troy Danielson; and Soph. att., Shelby Rudolph, escorted by Mark Ordiway. The football team made the afternoon complete with a victory over the Knights.

The queen and her court reigned over the dance. "Bad Habit" provided the music. The crowning was repeated with football co-captains Roger Dunham & David Morely doing the crowning. The evening ended with anticipation of future Homecomings by the underclassmen and feelings of sadness by the seniors.

Roger Dunham shows great form in his attempt at an extra point.

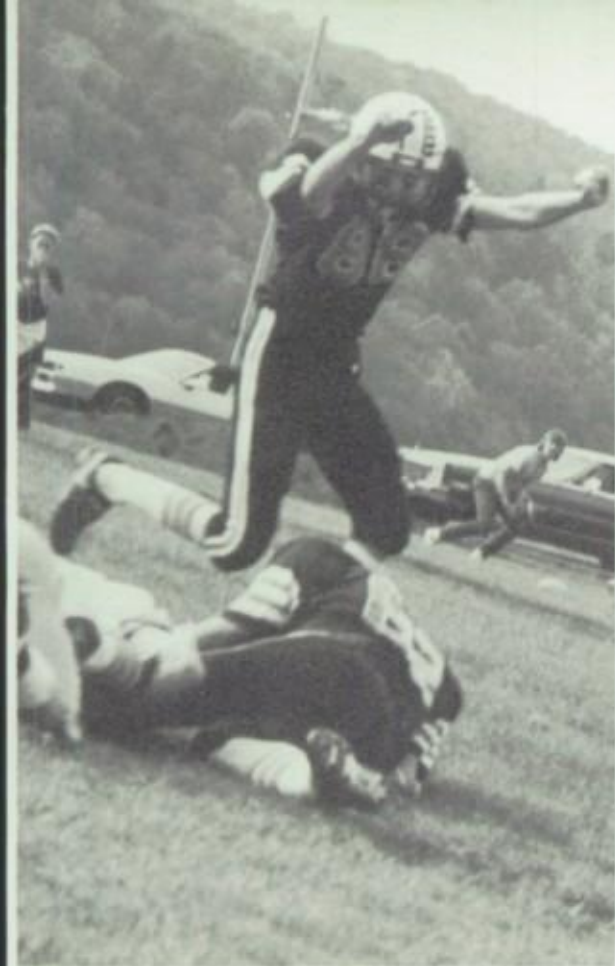

Don Johnson and Mary Tuneberg are being served refreshments by Michelle Tyler at the dance.

Kristi Kulka, 1st att., Queen Marlene Steffan, escort, Tim Lubold pose for pictures.

Joe Leichtenberger and Jodie Watson enjoy each other's company.

The excitement of a touchdown is shown by the actions of Pat Davidson (88).

Soph. att. Shelby Rudolph, escort Chuck Schultz, 2nd att., Jenny Shaffer, escort, Bob Landis, Co-captain, Roger Dunham, Queen Marlene Steffan, escort, Scott Korchak, 1st att., Missy Haser, escort, Mike Hultquist, Jr. att., Kathy Wholeben, escort Tom Gouvier participate in the crowning.

"Bad Habit" is caught in action performing at the dance.

Roger Dunham and Kay Cashmere seemed to be enjoying the dance.

Mrs. Peterson, Bev Thomas, and Melanie McMileen arrive at Gettysburg College for a yearbook experience.

Mrs. Peterson types on a type sheet for a yearbook page.

Tracey Bailey hands out football programs.

Bev Thomas and Melanie McMillen can't wait to dive into the Gettysburg pool.

The 1984-85 yearbook staff consisted of twenty girls and their advisor Mrs. Peterson. The girls worked hard over the holidays, and on weekdays after school.

Over the summer, Bev Thomas, Melanie McMillen, and Mrs. Peterson, traveled to Gettysburg, Pa. to Gettysburg College to attend yearbook school. While they were there for one week they worked from daylight to sundown. Sometimes the girls were still up working until after midnight, trying to finish their assignments. Bev, Melanie, and Mrs. Peterson worked on layouts, copy, organizing the photo layout, and developing a theme for their yearbook. The Gettysburg experience was an experience that they will never forget.

Editor: Beverly Thomas, Financial Advisor: Laura Sheen, Photography Editor: Melanie McMillen.

Mrs. Peterson talks with the group about her yearbook.

A few weeks after the trip to Gettysburg, the yearbook staff got together in the summer to learn about the new techniques.

The yearbook staff provides programs at basketball games to raise money. We also raised money from football programs during the football season. The staff is going to have a year-end fund-raiser to help finance the yearbook.

"SHEFFIELD HIGH SCHOOL IS FAR FROM ORDINARY!"

"Sheffield High School is Far From Ordinary" is a quote the year-book staff chose to ask students and faculty members what it meant to them. Here are how some of the students and faculty answered it.

"Sheffield is Far From Ordinary because we do not have the problems some schools have today. This fact results in a very positive atmosphere where students want to learn and do experience success. Not only does the positive environment exist in the classroom, it also exist in music, athletic, and drama endeavors." **Mr. Carnovale**

"The student body, school staff, parents, and community demonstrate a high degree of pride in this school. This makes my assignment a very pleasant and rewarding experience." **Mr. Miller**

"The students are all friendly, and everyone is friends including the teachers and the students. It is like you are all one big family." **Michelle Napolitan**

"Excellence at S.A.H.S. appears extraordinary ways! On stage — in various disguises; in the classroom — in the expected form — but most surprisingly, in every day affairs of living that most of us no longer expect to meet — manners, attention to detail, but most notably, in terms of simple caring about people." **Mrs. Olson**

"It means Sheffield High School is

different or better than all the rest." **Amy Houghtling**

"Restrooms are not blue with smoke, and there are no chews in the fountain." **Mrs. Moylan**

"We are not ordinary, not even close to being ordinary." **Rody Edminston**

"The closeness and pride of the student body make Sheffield H.S. above the ordinary." **Mrs. Norris**

"It means that people from Barnes go there." **Tim Hepinger**

"Small Student body permits for better teacher/student repoire." **Mr. Mendenhall**

"We are far from the ordinary because the band did good & basketball, wrestling, & football are all doing well this year." **Jim Feay**

"Sheffield is unusual, different, and not ordinary." **Heather Hartman**

"The students are cooperative and enthusiastic and a joy with which to work." **Miss Hutchins**

"People are so friendly. Students and teachers seem to have more of a closeness in our school." **Mrs. Haberberger**

"Sheffield High is the best school in Warren county." **Barb Darnofall**

"This is true only because of the

extra-ordinary people who attend Sheffield High School every day." **Mr. Dorrien**

"We are superior to all other schools." **Steve McNeal**

"That most schools in the area have more vandalism and Sheffield students respect their school. They don't ruin it in ways that can't be fixed. We have a lot of respect for the faculty, and we the students sometimes respect each other in the other schools. You don't see very much of these things." **Dave Johnson**

"I feel it refers to the pleasant personalities of the majority of our students and staff." **John Werner**

"We win most of the games because we have the best players. We have a lot of athletes. We show spirit in this school. We take really good care of the school, and we keep it clean. We have many smart students in the school. We have courage to move on through our troubles. We show alot of pride." **Sandy Pizer**

"We are far from ordinary because we are such a small high school with a student body that excels upon graduation. Our students have gone on to become doctors, scientists, teachers, businessmen, and workers that our community can be proud of." **Mr. Vrenna**

"We have many things in this

school that other schools do not have. So we are far from ordinary."

Neil Sederburg

"Sheffield High School is unique in its support by and place in the community. The community is very much involved in the activities of the school and the school is highly involved in the community service. This combination of mutual support makes the school a special place in this area and thus "Far From Ordinary." **Mr. Vashaw**

Sheffield High School is not a normal school. It is very different from other schools. Sheffield is small and its problems vary from other schools." **Yvette Feay**

"Special people doing special things." **Mr. Swanson**

"Sheffield is better than we seem to be. People don't give us the credit we deserve." **Cheryl Mountain**

"A feeling of pride in our school." **Mr. Steffan**

"The school is better and does more for its students than is required." **Mark Lauter**

"There are many interesting and unique people at Sheffield Area High School." **Mr. Scalise**

"It is one of the best schools around, and it has some really creative students." **Brenda Nuhfer**

"Sheffield H.S. is "Far From Ordinary" because it's students are 'Far From Ordinary'! Their backgrounds, problems, and educational ambitions vary widely. A day with Sheffield students is challenging, sometimes rewarding; sometimes frustrating but is never, never ordinary. **Kathy Rogerson**

"It is ten years old, and it only looks

like it is three or four years old."

Melinda Madigan

"A school is only what we, the students and faculty, make it. This is why our school is far from ordinary." **Mr. Pittock**

"We are far better than all others." **Chuck Schultz**

"It means that I have been teaching in a special place for 16 years and, I sincerely appreciate the fact that I work in such a pleasant surroundings." **Mr. Rice**

"Having the courage to be yourself." **Kris Keller**

"All our teams are the best. There are a lot of nice people." **Debbie Miller**

"The only school with a round library and blue blackboards." **Brian Petrune**

"It is the only school with carpet and chalkboards that move for expansion of a room." **Chris Morley**

"It is the best, cleanest, and the most out going in all activities." **Darrin Danielson**

"We do things ordinary schools don't. We take special care for people in wheelchairs and people with other problems. Our school, also, is in much better condition than most. We have a lot of school spirit." **Carrie McMillen**

"The school is in much better condition than most schools. Most of the people have more school spirit than other schools." **Tracy Swartz**

Music is provided by pit band members, Sam Stanko, Kelly Wescott, Theresa Morley, Andy Jones, and Mike Bross.

Mona (Mari Seymour) tells Dick (Scott Olson) her offer.

The musical, "Give My Regards to Broadway," was presented in the Sheffield High School auditorium on April 26th and 27th. The cast consisted of twenty-one talented students from the Sheffield area. After the cast was announced, the students started long, tiring practices. All the memorizing paid off. The presentation was excellent. Miss Pring and Mr. Dunn directed the cast members.

When the curtain was opened, the intensity and nervousness of the cast increased. By the end of the drama, the cast had relaxed and enjoyed performing.

The musical itself dealt with Dick Foster, played by Scott Olson, opening a Broadway show. He must contend with a stubborn leading lady, acted out by Mari Seymour, money problems, and the mob, played by Kelly Sturdevant and John Wagner. Enter Mary, acted out by Lisa Swanson, a beautiful, aspiring actress, plus a mysterious financial backer.

CLASS OFFICER JOB IS NOT AN EASY ONE!

Class officers are elected yearly by the students in each grade. The elections are held at the end of each school year for the following school year.

The Junior High officers hold various fund raisers, such as dances, for future class projects.

The Sophomore officers met with Mr. Harvey and Mr. Scalise to help organize their annual magazine drive. Money from the magazine drive is used for decorations for their Junior prom. The officers also met with various class ring representatives. Jostons was selected to provide class rings

for this year's sophomores.

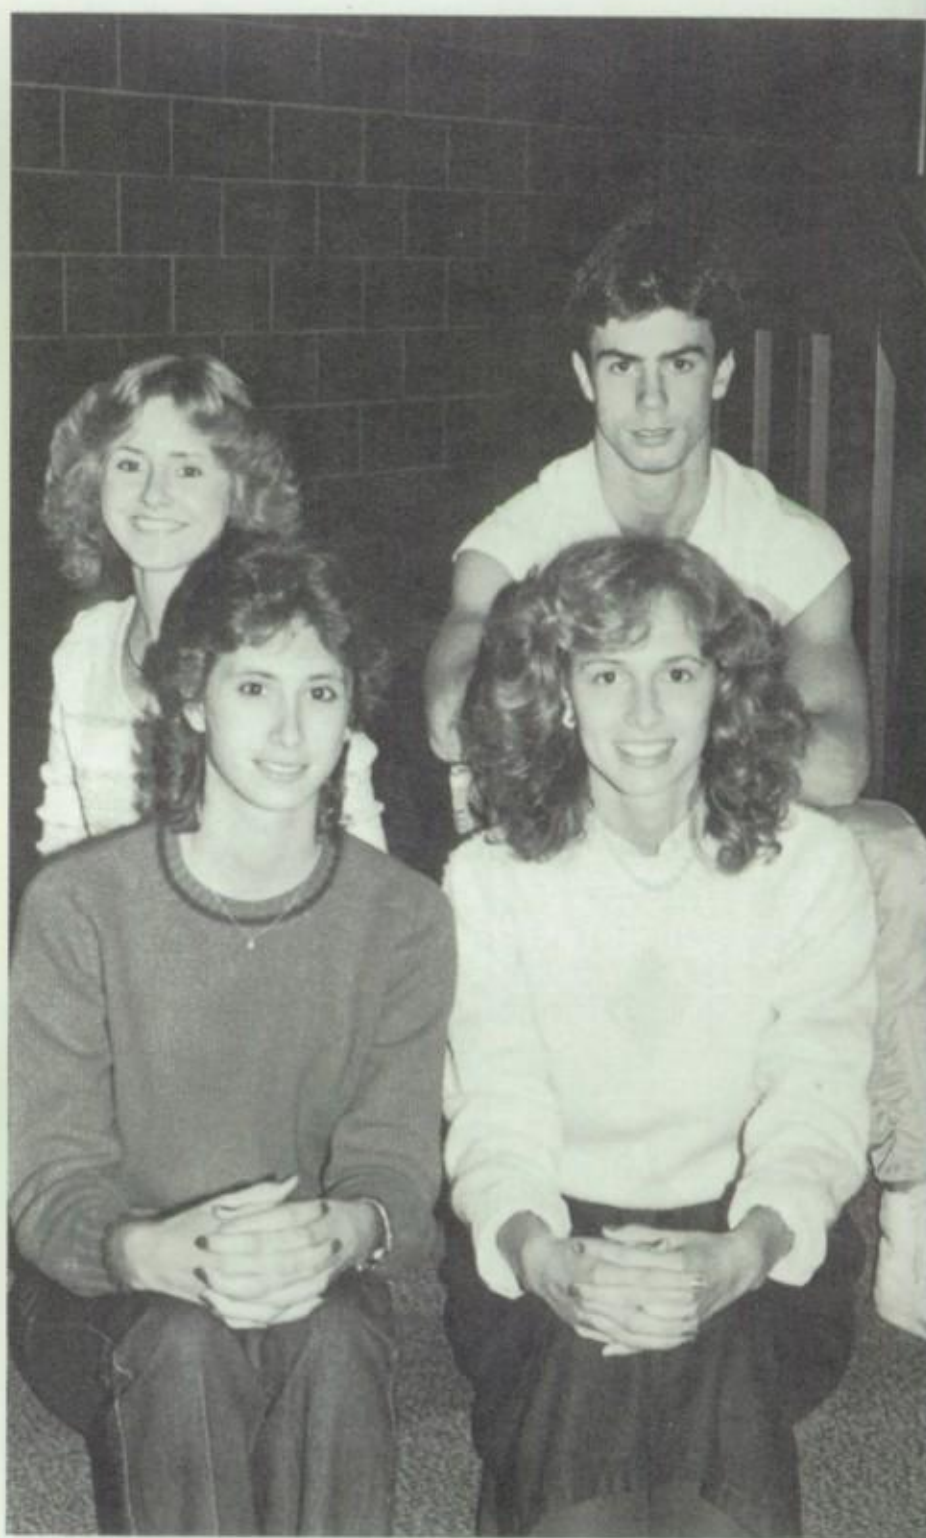

Along with Mrs. Rogerson, the class officers organized the annual Jr. Christmas gift sale. Most of the Junior year is spent planning and preparing for the prom.

During the Senior year, the class officers help with graduation plans. They also help Mr. Rice plan the senior trip. After graduation, the senior officers have the job of organizing class reunions.

The officers' jobs get increasingly busier as they progress through school.

The football statisticians were very busy down on the field trying to keep the yard lines straight and always looking to see who tackled who. They also recorded who made the touchdowns and who made the first downs.

To take basketball stats, the statisticians have to have a good eye because of the fast pace of the game. Fouls, shots, and rebounds are hard to see, but they managed.

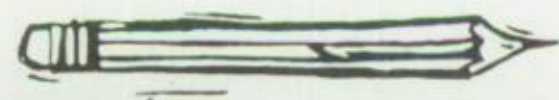

The volleyball statisticians have to decide whether the volleyball was set, spiked, dinked, or served to get a point.

OFFICE WORKERS

Mrs. Blume is hard at work.

Mrs. Blume receives a message from Melanie McMillen.

Answering phones, filing excuses, writing passes, running errands for teachers, and giving students band-aids and cough drops were all jobs of the office workers.

Mrs. Dorrior and Mrs. Blume guided the five girls around the office, helping them when they have a question or whenever something went wrong.

The office workers also ran errands for the teachers and many times for Mr. Carnovale and Mr. Miller.

Every morning an office worker delivered "Inside The Wolverine", a journal of events that are scheduled for our school for that day and week.

Shelley Graham, Jennifer Dietrich, Melanie McMillen, Amy Probst, Jodie Watson.

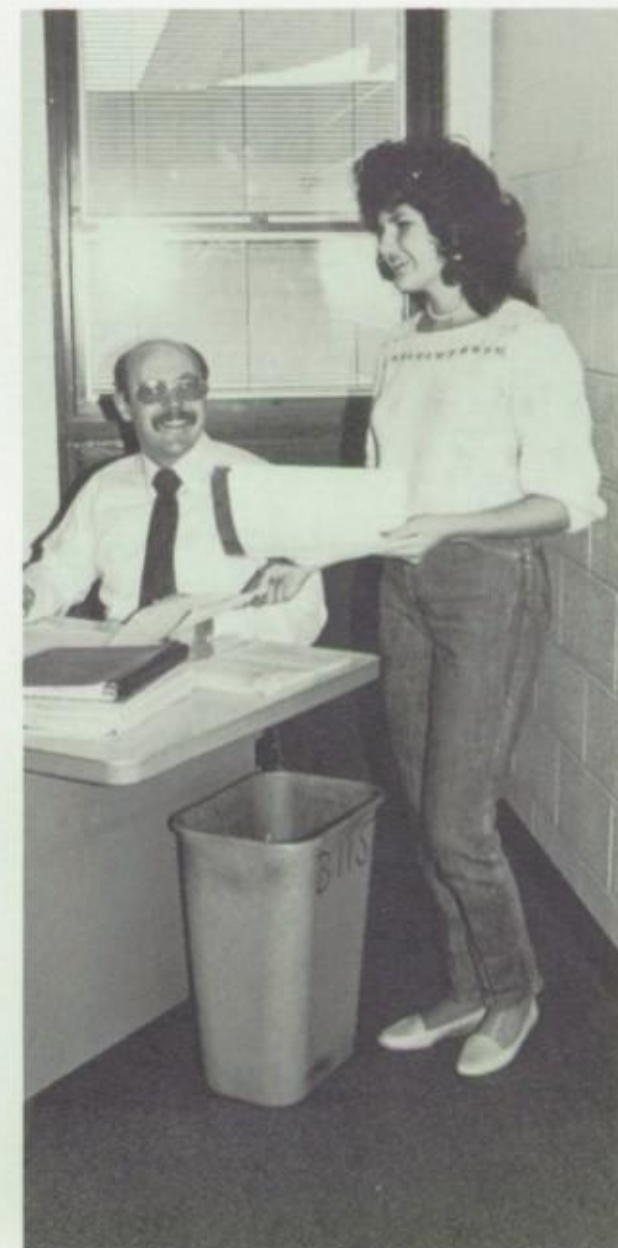

Sometimes Mrs. Dorrior and Mrs. Blume leave the office and the only person left is an office worker. A lot of responsibility is put on to the office worker.

The girls that work in the office were taken out of study hall, and then scheduled to work in the office, throughout the rest of the year.

VARSITY CLUB

The 1984-1985 Varsity Club returned as a self oriented organization. They sponsored a spaghetti dinner, and a sub sale. They also held a concession stand at all the home boys' basketball games.

The club is looking into purchasing a stereo system for the gymnasium. It would be used for warm-ups at all school activities taking place in the gymnasium.

The Varsity Club has a long standing reputation for its charitable donations, and its financial and supportive aid to any activity to benefit and further sports in the school.

BOOKS & NEWSPAPERS!

The 1984-85 library staff has 19 active members who help other students who come to use the library. Their responsibilities include checking out and reshelving books; then shipping and shelving them when they are returned.

The staff also helps Mrs. Montore and Mrs. Bowley get their jobs done quicker and easier by helping out at the desk, slipping books, showing people how to use the card catalog, finding people who forget to return their periodicals, taking overdue lists and bills to homerooms in the morning, and putting up bulletin boards.

Social affairs held this year were a junior high dance and a book fair.

Mr. Rice and the Hi-Times staff published five issues of the newspaper, each one pertaining to a holiday. Each issue included Senior biographies, events and happenings dealing with the school, a library page, and also a page dealing with the students.

Each member is assigned a topic to write about. The office practice class is responsible for typing the articles, putting them together, and selling the newspaper to the student body. Supplies are purchased with the money that is earned through sales.

Valerie Lindsey works hard trying to balance her accounting.

Karen Conquer and Kelly Hammerbeck print the paper.

Dan Portzer tries to decide what to do next after he has his homework done.

Stacy Lindsey takes a break from her homework and poses for a picture.

Miss Brush helps Dan with his biology during 5th period.

Lonnie Bauer works on perfecting his computer program during third period.

During study hall, Dan Portzer walks around the room for some exercise.

Stacy wants to know if she really has to do her algebra instead of relaxing.

In the resource room, Stacy uses the computer to help her with her social studies.

HANDICAPPED PROGRAM AT SHEFFIELD HIGH

Currently there are only three handicapped students enrolled at Sheffield High School. They are all in senior high. There are two sophomores and one junior. They go to regular classes, along with the instruction in the resource room. Miss Brush is the teacher that helps the students in the resource room. Mrs. Clark is a teachers' aide who helps the students get to class, reads to them, and helps them with their homework.

Dan Portzer and Lonnie Bauer travel to S.A.H.S. everyday on a wheelchair van. Dan travels from Warren, and Lonnie travels from Youngsville. Stacy Lindsey is a resident of the Sheffield area. She comes to school also in a wheelchair van.

Stacy Lindsey, a sophomore, has cerebral palsy and is confined to a wheelchair. Accompanied by a teacher-aide, Mrs. Clark, Stacy attends English and Algebra classes. For her other academic classes, she receives supportive services in the resource room from her teacher, Miss Brush.

Stacy is an exciting young woman who is a good listener and friend to anyone who knows her. Her courage and willingness to

accept and make the best of her disability is an inspiration to all.

The other sophomore, Dan Portzer has Spina-Bifida. Dan is also confined to a wheelchair, but has the ability to move with crutches.

Dan attends all 10th grade classes and the resource room for supportive service. While he is there, he uses a standup box each day for exercise.

Dan is a quiet young man that will go out of his way to make someone laugh.

The junior, Lonnie Bauer, has Dushanne Muscular Dystrophy. Lonnie has limited movement only in the upper and lower extremities. He is confined to a wheelchair because of this.

Lonnie also attends all regular junior classes and travels to the resource room for repositioning and supportive services from Miss Brush and Mrs. Clark.

Lonnie enjoys all school activities, using the C.B., and scanner, and being an honorary member of the Youngsville Fire Department.

LEADERSHIP CITIZENSHIP

The Student Council is involved in many activities for the school. They were in charge of organizing the Homecoming activities. They took care of voting for candidates, and decorating for the dance. They also provided the band, "Bad Habit", for the dance.

Another annual event that the Council is involved with is the "Hanging of the Greens". This allows each class to decorate a section of the school for Christmas. Prizes are awarded to the class with the best decorations.

Throughout the year, they also provide entertainment for the students with assemblies. There were assemblies from Penn State University and from Antrim Company. They also put on a special assembly just for the senior and junior classes for "Senior Recognition Day". Following this assembly, changing of the flags takes place.

This year, representatives at Pennsylvania Association of Student Councils from S.H.S. were Michele Haser and Kay Cashmere. The girls traveled to Berwyn, Pa. along with their advisor Mrs. Kemp. They enjoyed a weekend of workshops and group discussions. Students and advisors from all over the state exchanged ideas on fundraising student-teacher relations, school spirit, and many more topics.

One of the ideas that came from (P.A.S.C.) was the idea to have "Teacher Appreciation Week." This was to let the teachers know that their jobs aren't taken for granted. For a week, the teachers were given little gifts to remind them that they are well thought of.

The Student Council is one of the most active organizations in the school. The council works hard to provide many activities for the students at Sheffield High.

Students eligible for induction into the National Honor Society must meet the standards of the national organization. Each must excel in four areas — scholarship, character, leadership, and citizenship.

Students are inducted twice a year. In December, ten students were inducted. Curt Bowley, the newly elected State Representative and 1972 graduate of Sheffield High School, was the guest speaker.

The Sheffield chapter has instituted a scholarship that will be given to a deserving senior. Several fund raisers, such as selling school supplies in the school store, contributed money to the scholarship fund.

By purchasing an audiovisual kit to be used in the elementary schools throughout Warren County, the Society continued their project on avoiding child abduction. The Honor Society also provides tutoring and other in-school projects.

PREPARING FOR THE FUTURE

The Future Homemakers of America members have been very active this year. They have had several fund raising activities. During the Christmas season, they had an "Open House" in the home economics room. Each member made cookies to sell. Students were allowed to visit the home ec. room from study halls to purchase cookies and hot chocolate.

The F.H.A. also made and sold hard tack candy for Christmas. A silent auction was held. Each member brought in things from home and displayed them in the show case. Other students wrote down the number of the item and how much they would pay for it. The student who bid the highest bought the item.

In May, the F.H.A. took the annual field trip with the F.B.L.A.

The Future Business Leaders of America is made up of senior business students. All activities of the F.B.L.A. prepare the members for a future in the business world.

In November, the officers traveled to North East High School to attend the Region I Fall Workshop. They attended workshops on parliamentary procedures, building leadership skills, and proper attire in the business office.

In the spring, the F.B.L.A. took their annual field trip with the F.H.A.

Mr. Rice is the advisor for F.B.L.A.

The goals of the F.B.L.A. are as follows:

- * Develop competent, aggressive business leadership.
- * Strengthen the confidence of students in themselves and their work.

- * Create more interest in and understanding of American business enterprise.
- * Encourage members in the development of individual projects which contribute to the improvement of home, business, and community.
- * Develop character, prepare for useful citizenship, and foster patriotism.
- * Encourage and practice efficient money management.
- * Encourage scholarship and promote school loyalty.
- * Assist students in the establishment of occupational goals.
- * Facilitate the transition from school to work.

CLUB NEWS

This year the Senior High Choir, under the direction of Mrs. Zora King, consisted of 52 students from grades 9-12. They took time one period a day to prepare for the annual Christmas and Spring Concerts. Although some of the students could only practice two or three times a week because of scheduling, they delivered a beautiful Christmas Concert. They sang selections including the traditional lighted processional, "Tonight Jesus is Born", "Carol from an Irish Cabin" and "A Special Night" performed by the senior Ensemble, "And the Glory of the Lord" from the "Messiah", "That's What Christmas Means to Me" featuring Joal Oswalt, tenor soloist, "A Marssmallow World" a duet featuring Traci Uber, soprano — freshman and Todd Hartman, baritone — freshman, "Born, Born, in Bethlehem" featuring Tim McMeans and Tim Simmons, both basses, as incidental soloists, "When Good Men Sing Together" and "Ho! Ho! Ho! It's Christmas" performed by the Glee Club, "Happy Holiday/ White Christmas". At the end of the concert, the two choirs combined with the brass ensemble and audience for the carol sing. The Spring Concert proved as successful with the choirs singing many more favorites.

Four people were chosen to attend district choir. Kerri Sturdevant, Mary Tuneberg, Joel Oswalt and Pat Shaffer left the high school with Mrs. King on January 17th for the weekend competition at McDowell High School. Although none of them placed for regionals, they all enjoyed meeting new people, being guests of families in the area and learning more things that are important in singing properly. This years officers were Keith Romine — president, Tim McMeans — vice-president, Joel Oswalt — treasurer, Jodie Watson — secretary.

Jr. High Choir

This year's Jr. High Choraliers consisted of 61 seventh and eighth grade students. They all took time one period a day to prepare for the annual Christmas and Spring Concerts. For the Christmas Concert they sang songs such as, "Sing Now of Christmas", "Candles, Candles", "Sing Ye Noel and Alleluia", "Winter Song" and "Born Neath A Star". They also sang very entertaining songs for the Spring Concert. Most of the students in this choir will go on to perform in Sr. High Choir and may even go on to District Choir. The director for both choirs is Mrs. Zora King. She has been with us for many years and hopefully will be for many more.

The band started off the season in their new uniforms marching in the Tournament of Drums parade. Later that evening, they performed their new show as an exhibition.

Under the new direction of Tad and Tina Greig, the Sheffield Wolverine Marching Band had a successful season, performing for football games and for competitions.

The first competition was at Titusville on Sept. 1. The band received top honors and trophies for 1st place in AA competition, Best Colorguard, Best Horn Line, and Best Marching and Maneuvering. The next competition was held in DuBois on Sept. 15. The band marched in a parade in which they received 1st place in the AA class. Other trophies that they won included first place in class AA, Best Drumline, and Best Marching and Maneuvering. They also received Grand Championship honors for the second year in a row.

Besides winning numerous trophies and honors and the competition in Oil City, the band returned home with a feeling of accomplishment. They had beaten their cross-county rivals — the Eisenhower Knights.

On Oct. 6, the band traveled to Greensburg. There they competed against city bands. Here they took third place. At Canamaugh on Oct 20, the band received a trophy for second place in the AA Competition.

The last field competition of the season was held at South Park in Pittsburgh. All bands had to compete in the preliminaries. The top three bands would then be chosen for the State Finals. Unfortunately, the Sheffield band did not make it to the finals.

The last parade of the season was held in Pittsburgh on Nov. 24. The Band received trophies for second place in their division and \$500.

IT'S CONCERT TIME!

President — Mike Bross, Vice President — Amy Seymour, Secretary — Karla Albaugh, Treasurer — Andy Jones.

The Sheffield junior and senior high concert bands include a very large portion of the student population. Many athletes that could not participate in marching band because of conflicts with the fall sports may participate in concert band.

The aim of the concert bands is to expand the intellectual growth of the students and to appreciate the art form of music. The students meet daily for 45 minutes of intense rehearsal.

This year, seven seniors were honored by the United States National Band Association as outstanding contributors to their music programs. The students are Shelly Anderson, Mike Bross, Andy Jones, Amy Olson, Tom Dunn, Keith Romine, and Wendy Lindsey.

The stage band is made up of sixteen talented musicians. They play a wide range of popular favorites, blues and jazz music. The stage band practices every Monday evening from 6:30 to 8. These students combine their concentration and musical skills to perform their music. This year's selections include "One More Time Chuck Coren," a driving Latin tune, "Live," a very fast and difficult opener, "A Child is Born," a ballad featuring a trumpet solo, and many others. This group performed at various festivals and area events, as well as playing for the Jr. High District Band Festival, which was hosted by Sheffield High School this year.

This year three members of the Sheffield Area High School Concert band represented Sheffield at District Band. Those students were Mike Bross — Trumpet 1, Kelly Wescott — Trombone 1, and Jeff Gustafson — Trombone 1. The District Festival was held in February at Emporium.

SPORTS

Another year of sports had begun. One hundred and twenty-five students were expected at the games, but that had changed. The stands were packed at every game. The spirit taken in the school was brought upon by the success of the teams. The cheerleaders were showing more pep than usual. Jeff Gustafson and David Crozier were selected as all-state honorable mention. Jeff Gustafson was chosen as Big 30 Player of the Week. The football team had a winning season this year (6-3).

The volleyball team played in the fall instead of the spring. They also participated in many tournaments. They placed fourth in the Rocky Grove tournament and second in the Warren County Tournament. Marlene Steffan was selected to first team all-stars in the T.C.A.C. Bev Thomas and Heidi Weidner were chosen as second team all-stars.

The Boys' basketball team were leading in the T.C.A.C. League at the end of January. David Crozier and Tom Govier lead the team in scoring. The girls' basketball team placed first in the Holiday tournament in Emporium. Marlene Steffan was named M.V.P. of the tournament. Michelle Depto and Shelly Anderson joined Marlene on the tournament all-stars team.

In wrestling, Tim McMeans was crowned Champion in the Warren County Holiday Tournament. Joe Poston was named honorable mention in the Pa. top 100 listing at 155.

The boys' track team was represented at Districts by Joe Poston and Tom Dunn. The girls' track team was represented at Sections by Marlene Steffan and Vicki Sebring.

The softball team had a very successful season. The team was lead defensively by Bev Thomas and offensively by Shelly Anderson and Heidi Weidner. This year was **Far From Ordinary!**

SPRING '84

The spring 1984 Sheffield Wolverine volleyball team finished the spring season with a dual match record of 4 wins and 10 losses. Highlights of the '84 season included a second place finish in the Cranberry Invitational for grades nine and ten and a third place finish in the Warren County Tournament.

Kristi Kulka, Jerry Barhite, and Lynn Olsen ended four year careers for the Wolverines. Marlene Steffan was again named to the Second Team AL-Kin All Star Team.

SOFTBALL

The 1984 softball team had a highly successful season. The long hours of cold, wet, and rainy practices during spring paid off with a record of eight wins and two losses. This is the best school record in the team's history at Sheffield.

Special highlights of the year were the victories over the Warren Dragons and Eisenhower Knights. But both teams came back with revenge to defeat the Wolverines in the second meetings.

The attendance and participation increased this year to produce more enthusiasm and spirit among the team.

Each year more girls go out for softball

promoting competition among first string positions on the field. The 1984 team consisted of three seniors, eight sophomores, and eight freshman.

Coach Jim Scalise taught the team techniques for playing softball, the desire to win, and how to have a good time playing. Mr. Scalise has been coaching softball for nine years.

"MAT-PACK"

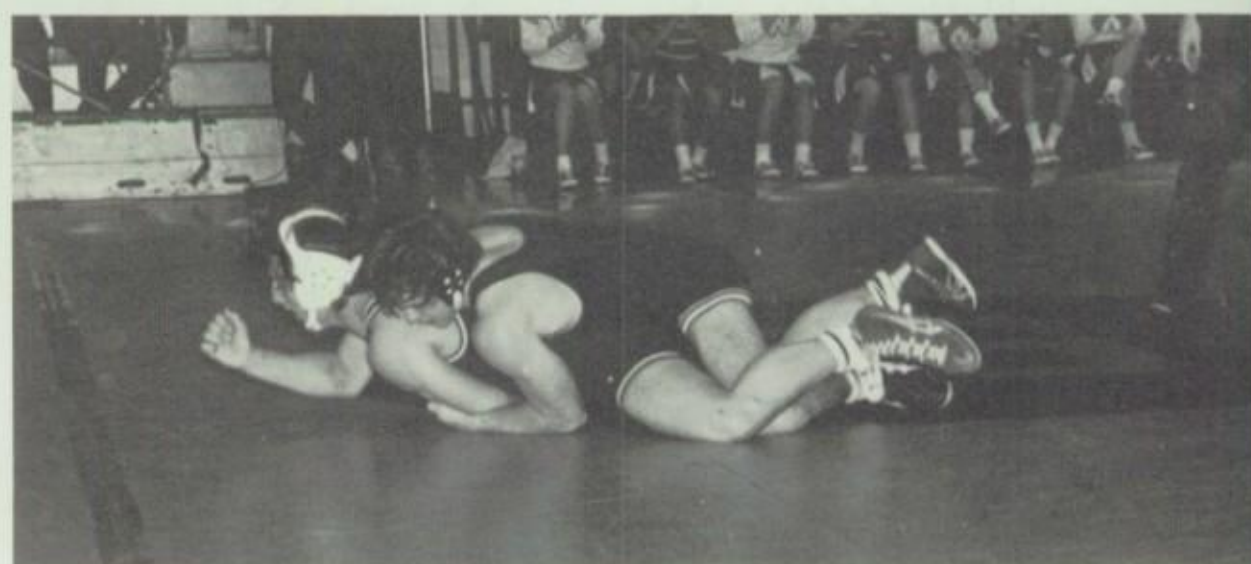

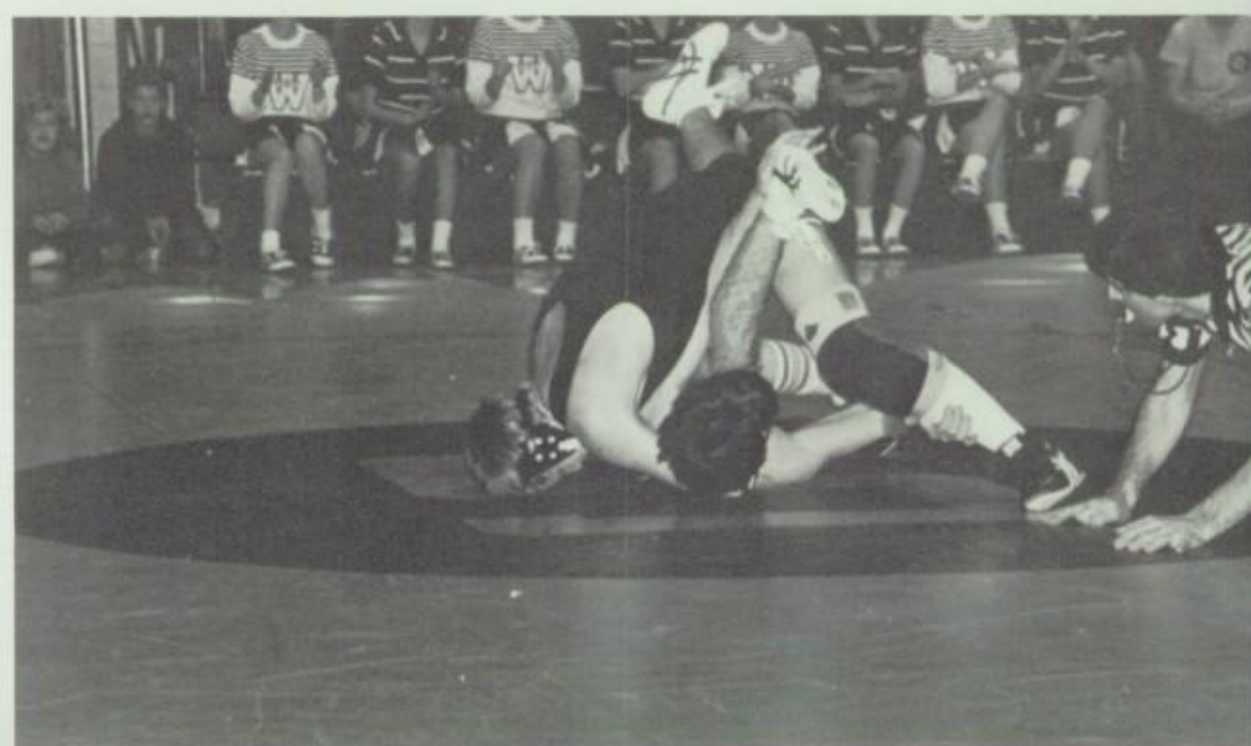

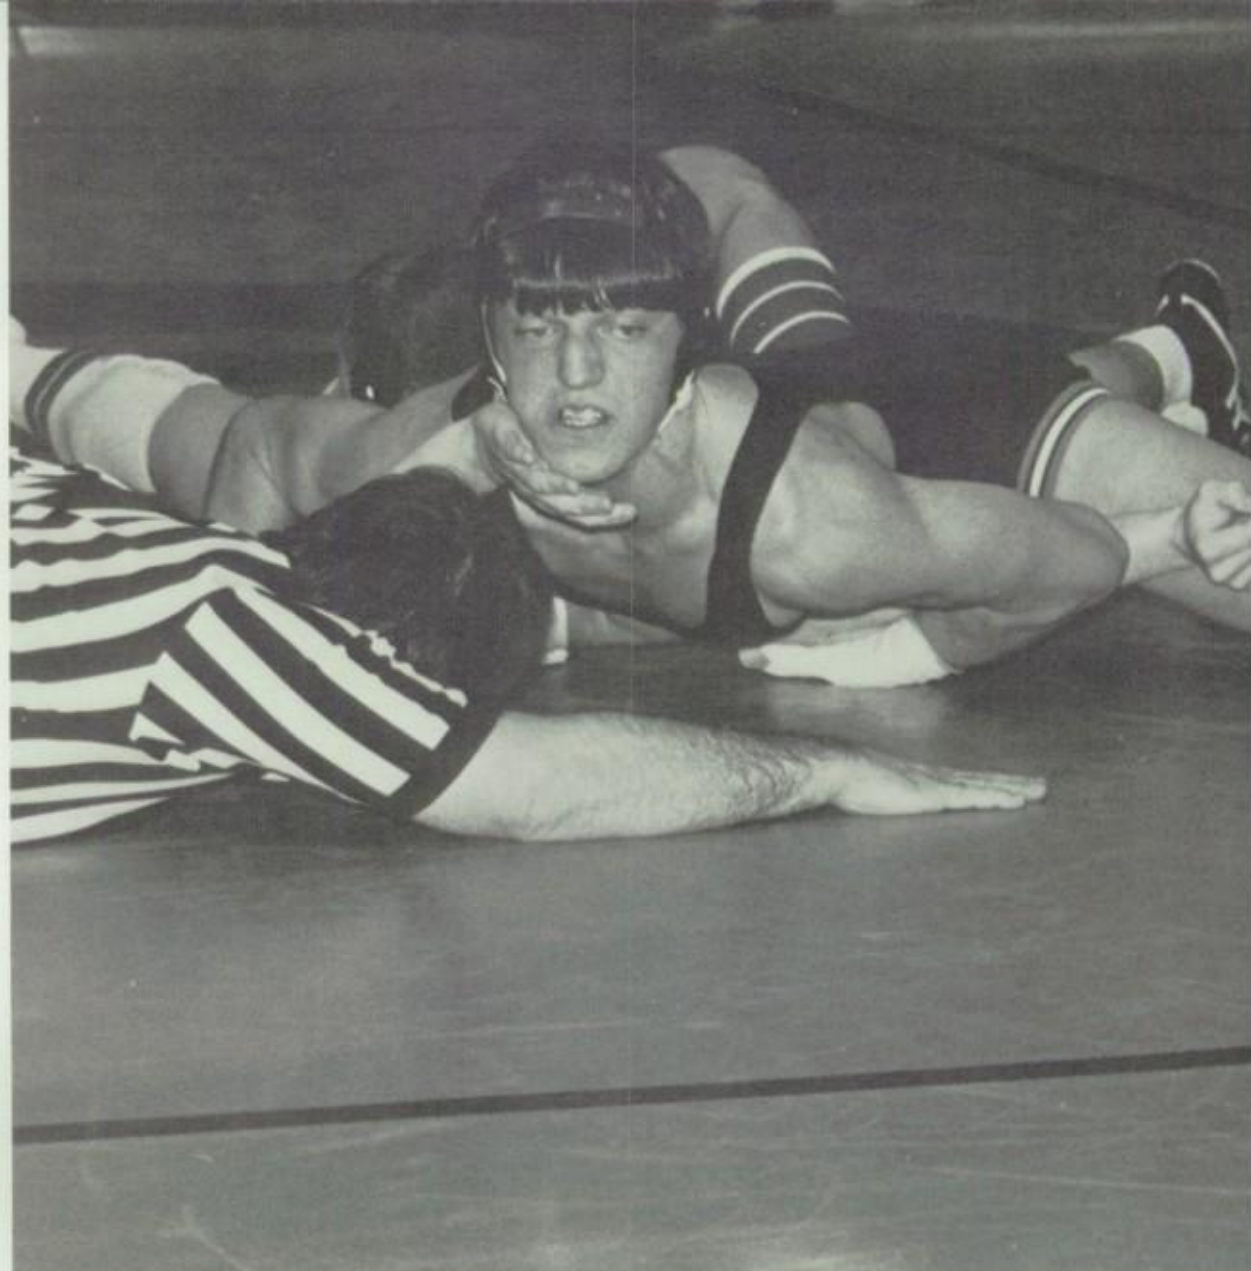

The Sheffield Wolverine "Mat-Pack" completed its first winning season in three years with a 9-8 dual meet record. The Mat-Pack led by standout seniors, Joe Poston (20-5), Steve Gregerson (16-8-1), Tim McMeans (16-8), and Chuck Grinnen (14-0-1). They also placed fourth in the 12-team Falconer Tournament and tenth in the prestigious sixteen team Warren Holiday tournament. Tim McMeans was champion at the Warren tournament and Chuck Grinnen was first at the Falconer tournament. Joe Poston set a school record for most takedowns in a season with 46.

J.V. & JR. HIGH GRAPPLERS!

The Junior Varsity put in long and hard hours as understudies for their varsity counterparts. They placed fourth in the Cranberry Junior Varsity Tournament. Ed Knapp, a sophomore, was champion at 112 lbs.

The Junior High under the direction of Mr. Dean Johnson had a very successful season (4-4-1). The baby "Mat-Pack" defeated Eisenhower and Youngsville twice, while losing to Beaty (twice), Cranberry, Clarion, and drew with Bradford. The Wolverines placed fifth in the Cranberry tournament with Scott Oswalt placing third.

Roger Dunham makes a fantastic leap to score two points for the Wolverines.

This year's team was composed of six juniors and five seniors. Returning lettermen were Tom Lobdell, Dave Crozier, Tom Govier, Tim Lubold, and Roger Dunham. Also, providing strength were juniors Steve McNeal, Marc Goldthwaite, Andy Benson, Jeff Gustafson, Rich Petruney, and Pat Davidson, who were all on a very successful junior varsity team during the 1983-84 season.

The team had already tied up first place in the TCAC league and made it to the playoffs for the second straight year. The team started out strong winning their first seven games before entering the Warren County Christmas Tournament.

The junior varsity basketball team was composed of five sophomores and five freshmen. This year the team was coached by Lee Goldthwaite. The sophomores are very anxious to play on the Varsity team next year. At the end of a very successful season, their record was twelve wins and seven losses. The team as well as the fans enjoyed going to the games and supporting the team.

CAMERON COUNTY

TOURNEY CHAMPS!

The highlight of the 1984-85 girls' basketball season was winning the Cameron County Tournament. This was the first trophy won by a girls' team. Marlene Steffan was voted the most valuable player in the tournament. Shelly Anderson and Michele Depto joined her on the tournament all-star team.

The Lady Wolverines had an excellent season this year with a record of 10-8 with three games remaining. There is a possibility they may enter the play-offs for the first time in girls' basketball history.

This year's team is coached by Don La-besky. Also, there are only three seniors on the team, Shelly Anderson, Marlene Steffan, and Sherry Salsgiver.

LADY WOLVERINES!

The Lady Wolverines junior varsity team is enjoying a very successful season with a record of 8-7 with four games remaining. The season saw three exciting victories. They defeated Eisenhower twice (26-17, 32-22) and they defeated Warren (28-16). This is the best junior varsity team in over a decade.

The J.V. team is coached by Mary Lou Wagner. This is her third year of coaching. The team also consists of four sophomores and seven freshmen.

The junior high basketball team is just beginning. There are fifteen eighth graders and eleven seventh graders out this year. The coaches are Linda Post (8th) and Jim Depto (7th). Their pictures will be in the next edition of the Wolverine due to the changes in scheduling.

CHEERS!

The S.A.H.S. Cheerleading program underwent drastic changes in the 1984-85 cheering season. Mrs. Rita Goldthwaite and Mrs. Janet Peterson became the new advisors. Cheerleading was divided into two seasons. The fall squad helped cheer the 1984 football team to a successful season, but most of the changes took place during the winter season. Due to the girls' basketball teams schedule moving into winter, a new cheerleading squad was formed. In total, four squads, football, wrestling, girls' basketball, and boys' basketball, provided spirit and support for all teams. The squads spend their time by painting signs, gathering people for the student buses, performing pep assemblies, practicing, and most of all, cheering at the sporting events.

We love the Wolverines this much!

The girls on the Junior Varsity squad were an enthusiastic group. They were full of pep and spirit, and they showed it at the games. Not only did the girls cheer at the junior varsity games, but they helped the varsity squad by cheering at varsity games. The junior varsity squad cheered only during football season.

The junior high cheerleaders were a great addition to the junior high sports events. They showed much pride in cheering on the teams. Many of these girls are preparing themselves for varsity positions in later years at S.H.S.

WE WON IN '84

Football practice started on August 13th this year. Many players participated in an off-season weight training program. The team showed character and were not easily discouraged when things went wrong.

They started the season with an exciting win over their cross-county rival, Youngsville. The second game proved even more successful with a big win over Port Allegheny.

In the third game, however the team faltered. The Johnsonburg Rams took them by surprise, but the Wolverines wouldn't let the loss bring them down. They came back the next week to defeat Bradford C. C. Although the Ramblers were ahead in the final minute of the game, Jeff Gustafson completed a touchdown pass to Roger Dunham with only 20 seconds left on the clock. This gave them their 3rd win.

The next blow to the Wolverines was a one point loss to Allegany, N. Y. The team scored with a few minutes left and thought they had won, but the Blue Devils came back to leave the Wolverines unvictorious.

After a hard loss, the team bounced back to defeat Kane. The Wolves led early in the game by two touchdowns, but the Wolverines edged their way back to the lead and held on for a win.

The Homecoming game was against the Eisenhower Knights. The team had one of their best offensive games and pulled off a big win over the Knights.

There was a new addition to the schedule this year, Conneaut Lake. The had a strong running game, but it wasn't enough, because the Wolverines edged out the Indians by one point. Although they lost their last game against Otto-Eldred, the Wolverines had the best record in Warren County: 6-3-0.

Football

The J.V. team had a successful season this year ending with a 5-3-0 record. They started the season off at home against Youngsville with a loss of 6-18, but they came back the next game to shut-out the Knights 18-0. The next two games proved promising with defeats over Johnsonburg and B.C.C. Although the next game they lost to the Dragons 8-36. Next they traveled to Kane but lost 14-20. They moved on to host the Knights for their second game of the season and won again with a score of 12-17. The last game of the season was a victory of 36-8 over Youngsville.

The Jr. High had a very competitive season consisting of 5 games. They put in hours of practice and trained for future years.

A strong passing game was the trademark of the 1984 Sheffield Wolverine Football team. Major parts of that passing game were Tight End Dave Crozier and Quarterback Jeff Gustafson. Dave and Jeff were recognized state wide by honorable mentions on the AP Pennsylvania Allstar Football Team.

The Sheffield Area High School volleyball team finished the fall 1984 season with 8 wins and 6 losses. They finished tied for third place in the first year for the TCAC Division II league with a record of 5 wins and 5 losses. Wins were recorded over rivals, Warren, Ridgeway, and Rocky Grove to highlight the dual match schedule. In tournament play, Sheffield finished 5th in the twelve team Rocky Grove tournament and second in the Warren County tournament. In the Warren County Tournament, the Wolverines lost to arch-rival Eisenhower in two exciting games in the finals.

Marlene Steffen was named to the first team TCAC All Star Team. The selection was an unanimous choice. Bev Thomas and Heidi Weidner were chosen for the Second Team All Stars. Shelly Anderson received Honorable Mention.

With 6 letterman returning, Sheffield is looking forward to an exciting 1985 season.

PEOPLE

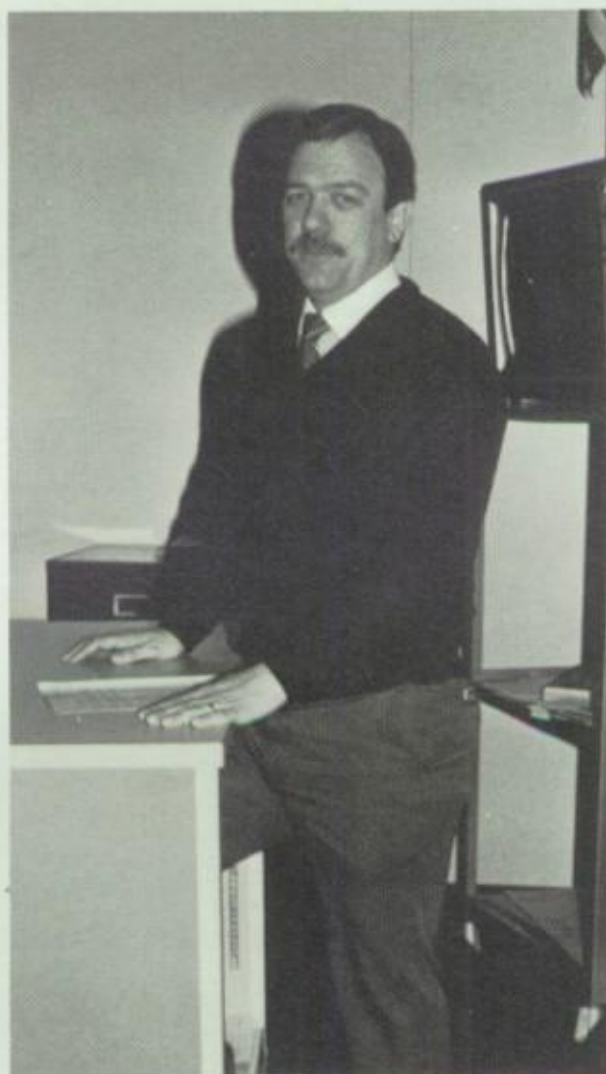

The student body at S.A.H.S. is **Far From Ordinary** because of all the different personalities and interests in each student. Some of the different interests of the students are sports, academics, and hobbies outside of school.

The student body, for the most part, is friendly, and they have a good attitude toward school. They are cooperative and are willing to work harder.

The students show a lot of school spirit by attending most of the sporting events. They also show it by not destroying the school property. This is one reason our school still looks like new.

As a result of having a small student body, the student/teacher relationship is better than those of larger size. The students also know everyone and know about everything that is going on. Another result of the small student body is there are very few problems in the school. This all is **Far From Ordinary!**

AN EVENING AROUND THE WORLD

Prom Queen Kristi Kulka and escort Kerry Nearing dance during "An Evening Around the World."

Kristi Kulka was crowned prom queen. Kerry Nearing was her escort. Other members of the court included Tracey Edmiston and her escort Jon O'Donnell, Dottie Doyle and her escort Corey Copley, and Jeremy Johnson and Christina Nary.

At the beginning of their sophomore year, the Class of '85 began planning for their junior/senior prom. The annual magazine sale was the major fundraiser. Approximately \$7000 were raised.

Early in the fall of 1983, the juniors began the organizing for the '84 prom. After school meetings were held to determine the theme and decorations. The theme was "An Evening Around the World."

Famous landmarks, used to represent countries from around the world decorated the cafeteria and the gym lobby. The Eiffle Tower, the Golden Gate Bridge, a pyramid, and a windmill set off the theme. Refreshments were served in a French café.

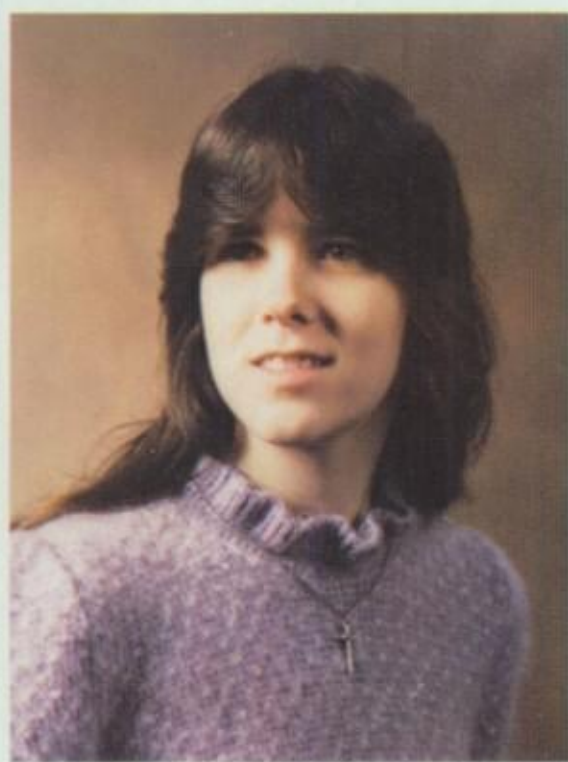

Port Royal provided the music. The crowning took place at 10:00 p.m.

THE SWING OF THINGS

The cafeteria staff celebrated Halloween by dressing up.

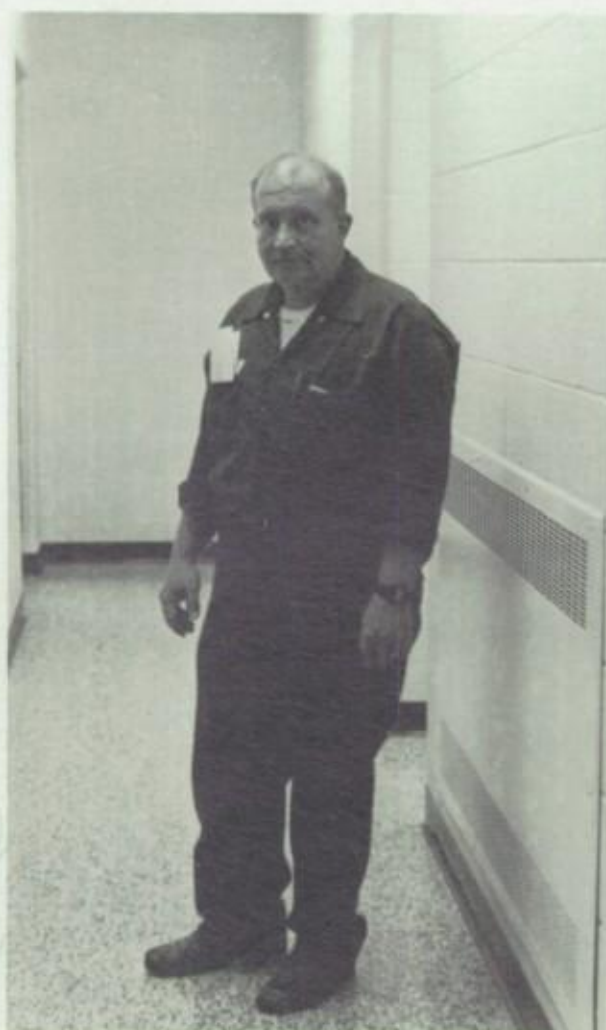

Special Services

Thanks to the cafeteria staff the students may enjoy a nutritious meal each day. There are various items available every day. These items contain many vitamins and protein for the rest of the day ahead.

The school is kept in tip top shape thanks to the cleaning staff. They work long hours after school to prepare for the next day.

M. Tubbs cleans the typing room.

R. Bloss takes time out to pose for a picture.

A. Camp cleans a desk top in a classroom.

Terry Gregerson, Rich Hepinger & Norman Hornburg wait to be dismissed for lunch.

During fifth period, Tim Lubold hall-monitors in the h-wing.

Brenda Nuhfer walks through the doors to start another joyous day at S.A.H.S.

Everyone seems to be enjoying themselves at the Homecoming dance, especially Dave and Sherry.

Mrs. Kemp's seventh period class prepares a Thanksgiving feast.

Jeff Russ, a volunteer during the energy assembly, seems to be enjoying himself.

Members of the choir, Tina Preshak, Keith Romine, Jill Tarr, and Tim Simmons sing a telegram.

These three young ladies help Mrs. Montore in the library.

Tracy Pollock, Bob Repine, and Barb Rockwell stand at their lockers between classes.

Scott Hoyt and David Johnson ponder new concepts in biology.

ACADEMICS

Sheffield Area High School has four courses of study. They are College Prep., Vo-tech, General, and Business.

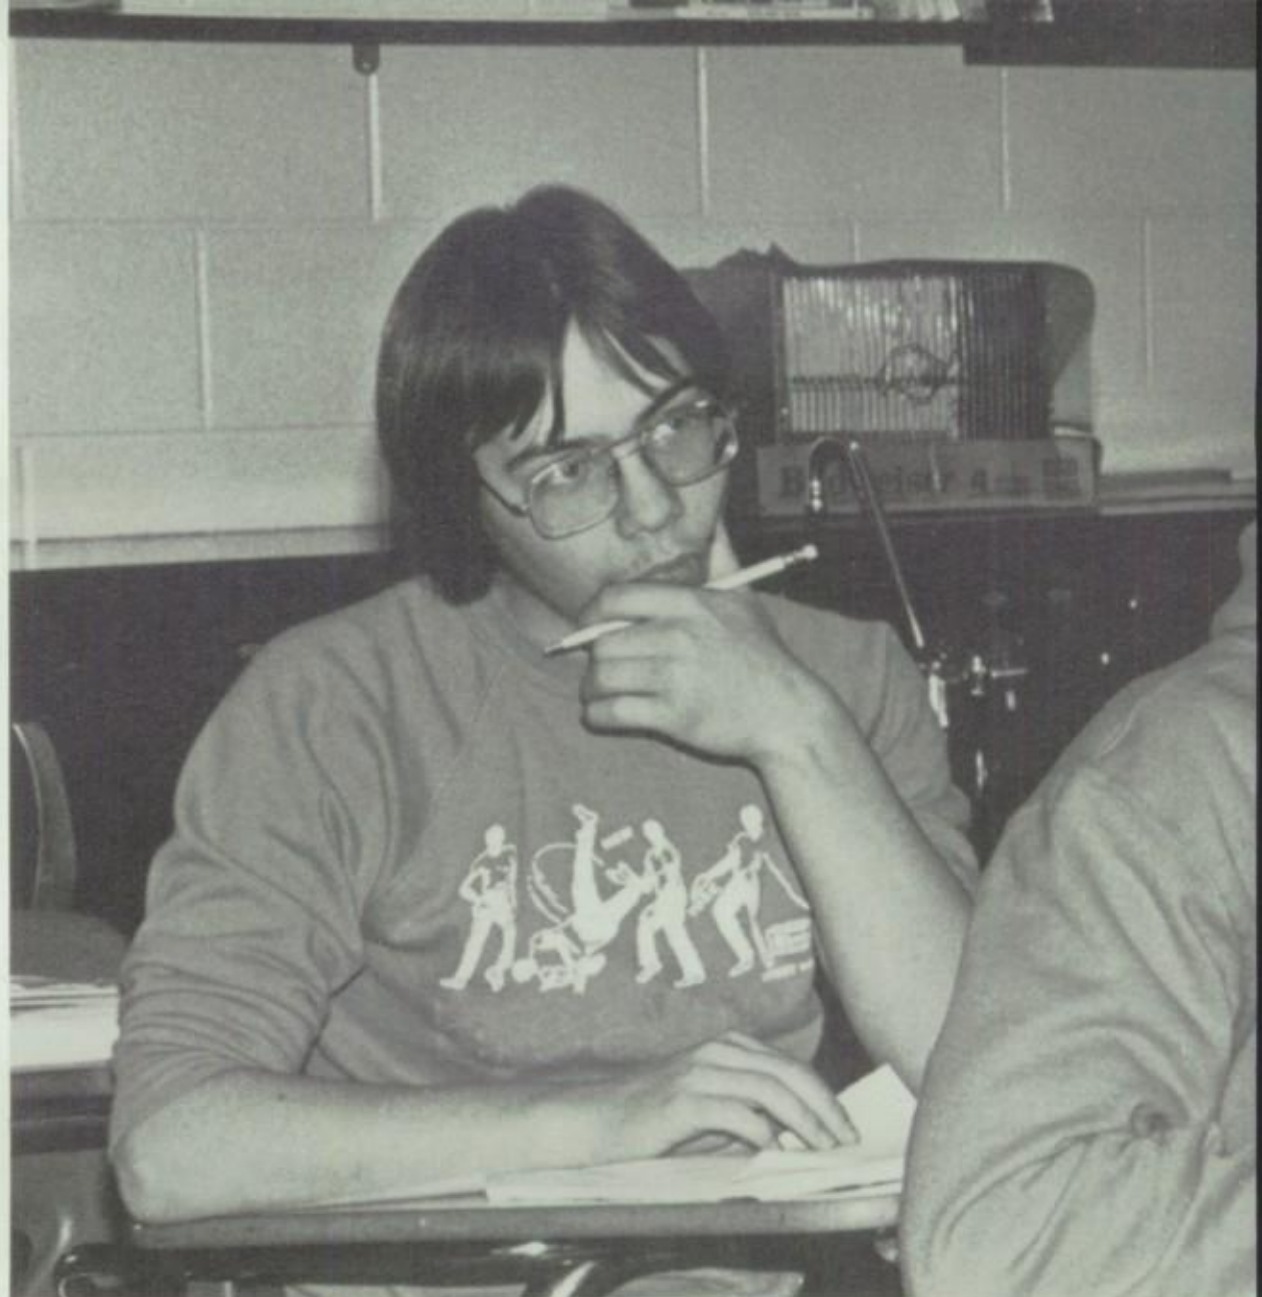

Each student has his choice of which course he would like to take. After he chooses the course, he has to take the courses required in the area.

College prep. students take classes to prepare them for college like chemistry, physics, biology, French, advanced English, and advanced math classes.

Students who take Vo-tech go to the vo-tech school in Warren to learn a trade and this helps them get a job right after graduation.

The general course of study is usually chosen by students who are not sure about their future.

The business classes help prepare students to get jobs in the business field like book-keeping, an accountant, and secretary.

Sheri Smaroff and Barb Rockwell work on home economics projects.

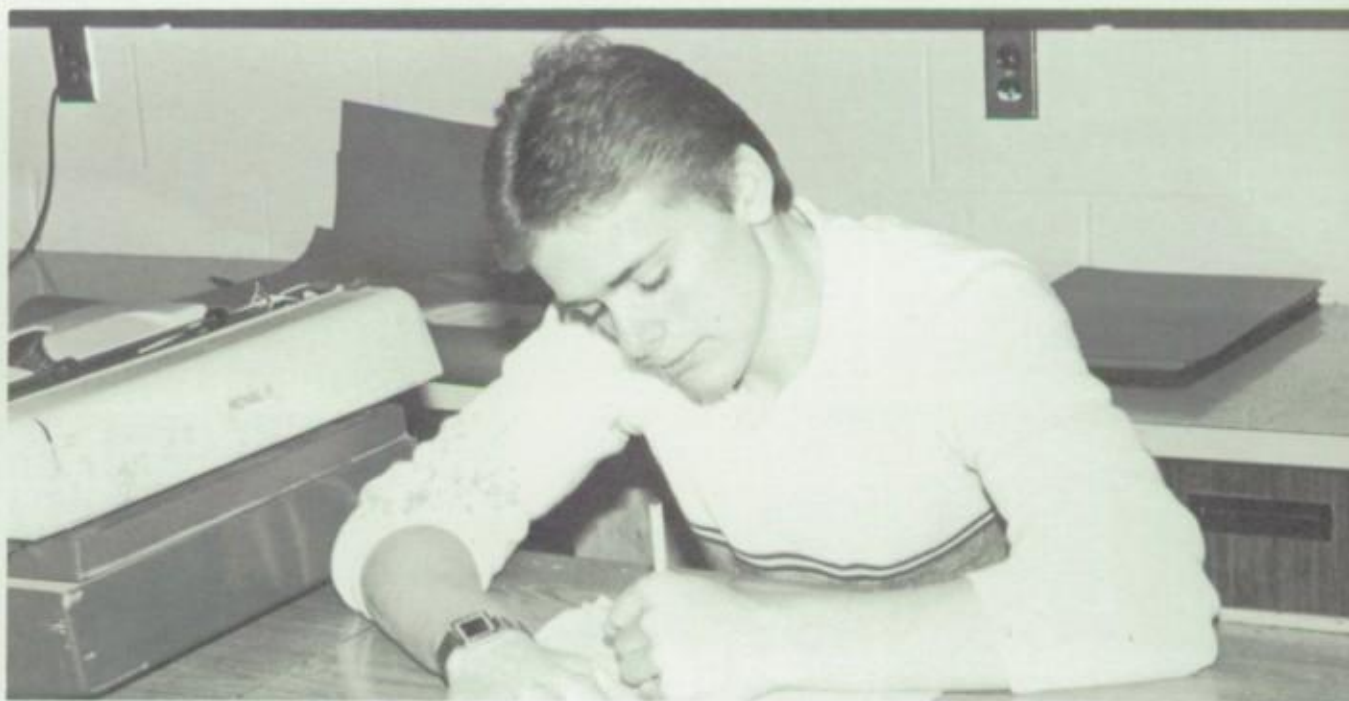

Kerri, Mary, and Pat practice music for District Chorus.

Diane Buerk copies notes from the board in accounting class.

Darren Drake prepares his homework for English class.

Kim Orinko works on her project in home economics for a grade.

Bob McMillen listens to his teacher giving a lecture during science class.

Row 1: D. Malloy, J. Babcoe, C. Anderson. Row 2: V. Anderson, K. Walton. Row 3: M. Van Pelt, R. Bean, S. Meddock. Row 4: P. Blume, A. Fox.

VO-TECH

Each morning students from Sheffield ride buses to attend Vo-Tech. The courses that can be chosen range from a variety of different areas. Carpentry, Food Service, Machine Shop, Metal Fabrication, Welding, Distributive Education, Graphic Arts, Drafting, Electronics, and Nursing are some of the course courses offered.

The ninth graders visit the Vo-Tech to learn about the courses available. They tour each department to receive information and an explanation about them. This will enable interested students to fill out their schedules for the following year.

Improvements in different departments have kept the school up-to-date. Due to new technology it is necessary to keep all programs as modern as possible for the benefit of all students.

Jeremy Bickling worries about the time limit.

The ninth graders are busy during the DAT test.

Oh no! Not another Test!

Tests, Tests, and more Tests! Sheffield students had to take more than the usual tests for classes this year. Even worse, the tests had strange names — TELLS, CAT, DAT, ASVAB, PSAT, and SAT.

The Testing for Essential Learning and Literacy Skills (TELLS) test was given to all third, fifth and eighth grade students in the public schools in Pennsylvania. The purpose was to identify those students who need remedial instruction in reading and math. Students were tested in reading comprehension, vocabulary, study skills, problem solving and math. The test was given statewide on October 17 and 18.

The results of the TELLS test were reported back to the local school districts.

All Sheffield High School students took the California Achievement Tests (CAT) in October. The testing areas included reading, comprehension, vocabulary, and math skills. The results of this test were used to set nationwide educational standards.

All ninth graders take the Differential Aptitude Test (DAT). The DAT gives the student information about his aptitudes and abilities. This information helps the student choose the right academic and

vocational field to pursue during high school.

The exam tests the students in the following areas: verbal reasoning, numerical ability, abstract reasoning, clerical speed and accuracy, mechanical reasoning, space relations, spelling, and language usage.

This test is given prior to scheduling for the sophomore year. All ninth graders spend a morning at the Vo-Tech school in Warren. Both the DAT and this field trip help the ninth graders plan for their future.

The Armed Services Vocational Aptitude

Carol Culbertson works on the TELLs test.

Jeff Harkins checks the clock during the TELLs test.

Battery (ASVAB) is a test used to predict what a person could accomplish with further training. This is a multiple aptitude test offered free of charge by the Department of Defense to students in secondary and post-secondary schools.

The military services use the ASVAB to help determine the qualifications of young people for enlistment and to place them in occupational specialties.

It is designed especially to measure aptitude for occupations that require training or a formal course of instruction on the job.

Over one million students voluntarily participate in this test annually.

The Preliminary Scholastic Aptitude Test

(PSAT) is a test designed to prepare the college bound students to take the SAT.

The Scholastic Aptitude Test (SAT) is the most important test for the college prep. students. The SAT is a college entrance exam. The SAT measures the verbal and mathematic ability of the students. The colleges and universities use the SAT scores along with the student's high school courses and grades to indicate how prepared a student is to do college work.

The test costs \$11 to take. It is given at Warren Area High School in December, January, and May.

When the students receive the results, they can see how they compared to the national norms.

COMPUTERS

"High tech" has finally reached Sheffield! Sheffield students now have the opportunity to learn computer programming. Computer I, II, III, are now electives for the senior high students.

The hardware, located in room C-117, is a TRS-80 model 4 network system. Ten computers hook on to a host. Programs are saved and loaded from the host computer. The other Radio Shack disc drive computers are also located in C-117. Last year Quality Markets donated an Atari to the computer room.

Computer I and II is instruction in the Beginner's All-purpose Symbolic Instructional Code of BASIC language. Computer III involves structuring BASIC, forming files, and PASCAL language.

Jody McKown works on the home ec. computer.

Jason Spicer types in his program.

THE END?

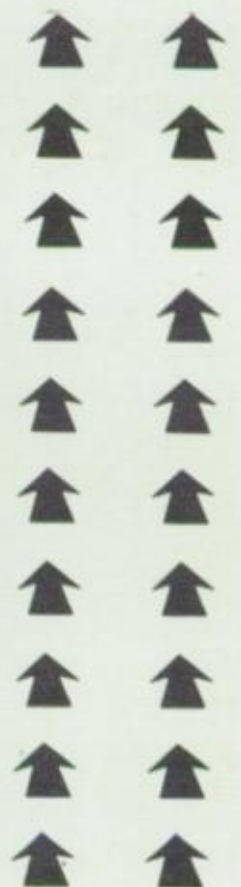

BITS AND BYTES

Three Apple computers are located elsewhere in the school. In the home economics room, students run programs on consumer buying, nutrition, and calories. Other students receive additional help in the resource room by running programs on math, science, social studies, and English. The other computer is in the business room.

Kirby Lindsey helps Julie Leichtenberger rearrange her program.

Kris Keller runs his graphics program.

Wendy Lindsey and Amy Olson work on their programs.

Samantha Stanko and Jody Pifer work with the TRS-80 computers.

! ? Puzzled ? !

Nikki Rudolph and Lori Orinko are spectators at a Varsity football game.

ADS

With the success of all the sports teams, the pride taken in the school was surprising. About 250 students were present at all the school functions, along with a large crowd of parents.

The school play, "Give My Regards to Broadway," was a big smash. The auditorium was almost packed both nights. Four Choir members were selected to go to District Chorus. Also, three Band members were selected to represent our school at District Band.

As far as the school was concerned, 1985 was a **Far From Ordinary** year.

The enthusiasm of the students, faculty, and administration truly makes Sheffield High School **Far From the Ordinary!**

Mr. Greig directs the Band during the annual Christmas concert.

To start a new day of school, Michelle Geer gets off the school bus.

The students in Mrs. Kemp's eighth period study hall, attempt to do their work.

During the energy assembly, a volunteer from the audience is chosen.

Joe Leichtenberger (8) heads up the field in a game against the Kane Wolves.

The new inductees along with the present members take the National Honor Society oath.

Thank You . . .

to Tom Chaffee, our Herff Jones
rep. Joseph MacQueen, our photographer,
Mrs. Peterson, our advisor,

and to everyone, who contributed to the production of the 1985 Wolverine!

still going to come back & get her for that book!

We will have so many times yet to add in especially with our apartment, school, hangaroo guy... You we don't have to put up with "V", but now we can't find out his scheme either.

We have so much yet to accomplish in what seems like so little time. We are going to be the best damn cosmologists in the world! (we hope) We may even be doing the train, space & mails of business Di! Until then, one of us will probably end up working in cardboard

performance & the other in Holiday Inn fashions. You for long cause we will have our own place! We can never lose touch cause good friends are hard to come by & that's the truth! We'll always have our hearts so we'll always be together by heart. There is so much I have to say & so little time & soon. So take Care & Good Luck. We love ya lots!

COLOPHON

The 1985 *Wolverine* was lithographed by Herff Jones Gettysburg. Printed on triple coated gloss enamel and a heavy bulk matte, the trim size for the *Wolverine* is 7 3/4 X 10 1/2. The cover is vista embossed EMB Baskerville in antique blue with applied silver.

Body copy is printed in 10pt. Garamond and captions are in 8pt Garamond. Headlines are in 14pt. Garamond Italic and 24pt. Garamond Bold. Advertisements are in Style #11A with 2 pt. rule lines.

A variety of layout styles and graphics was used to highlight all sections. Sixteen pages of color set off the senior portraits. Endsheets were gray.

Editor for the *Wolverine* was Beverly Thomas with Melanie McMillen as graphics editor. Laura Shene was the financial manager. Adviser was Janet Peterson. Photos were taken by Joseph MacQueen, Janet Peterson, and Melanie McMillen. Tom Chaffee was the Herff Jones representative.

Crystal,

To my very best friend!! It's so hard to believe that this is it, but we finally made it! You that's only the beginning. We still have a ways to go yet, but even though all these hard times, it feels good to have someone like you there. I wouldn't have asked for a better friend! We are going to be through ever closer during our next few years because that's when we are going to have to stick together to come out on top! I won't settle for anything less & I know you won't either. We have to prove everyone wrong. We can do it & we will. With both of our good qualities together, it has to lead us somewhere. It's going to take a lot of struggling, but they always say that's the best time of your life. Please forget all our great times in Jr. High as well as Sr. High. No thing I'll never forget is getting caught with a secret code we made & my hand was in a test delivered by Klutskens. Please forget all our code names; Statue, Ball, where-where, Sweet-Pood, Cat... There's so many! We were used to such a routine secret life, we had to make it exciting somehow! You about skipping Cat's tutoring session & we had to pretend it was throwing up in the restroom when she came in. Please forget "The Cat in The Case". We are

To a
really nice
girl and a
real good friend.
